THE WOMEN IN THE WOODS

The Women in the Woods is a 4-episode, site-specific radio play series about a young woman who arrives at Indiana University and discovers she has ties to Bloomington that she's never known about. With help from the spirits of her ancestors, she becomes a Sentinel – guarding the town from a mysterious evil presence that is out to destroy the town and corrupt its inhabitants. All four original radio plays are now available, along with maps to take you on an unforgettable journey. Listen to the full series now!
